

Quality Assurance Guarantee

STONEROX QUALITY ASSURANCE GUARANTEE

Architectural Accents Inc. provides a Quality Assurance Guarantee for StoneRox Products, on the strength, structural integrity, durability and against any defects in the material and/or workmanship in the production. StoneRox Products will be guaranteed to the original owner.

The Quality Assurance Guarantee assures that the StoneRox Products will:

- Retain its structural strength, integrity, and durability
- Protect the home through Canadian climatic weather conditions
- Retain its texture
- Is manufactured to industry standards and meets Canadian Specification Guidelines

Our Quality Assurance Guarantee is a commitment to ensure the highest quality product possible. If StoneRox is installed according to specifications and becomes structurally defective the product will be replaced.

Architectural Accents Inc. will not be responsible for the following: Installation, colour fading due to the naturally occurring phenomenon of efflorescence inherent in all top quality products with high cement content, exposure to acid based cleaning products, or excessive power cleaning techniques which may be detrimental to the face of the finished product. This guarantee does not include transportation costs or installation costs. This guarantee is not transferable to subsequent owners.
